At

STELLAR
HEIGHTS

Every home is designed with the care you would design it yourself.
An exclusive 3 BHK community, with spacious bedrooms, practical furniture planning, functional kitchens, integrated utility spaces, privacy-focused layouts, and Vaastu-compliant planning, come together in perfect balance.

Beyond your home, a thoughtfully planned lifestyle awaits, with social spaces designed to bring people together and foster a strong sense of community. Every detail is created to elevate the way you live, work, and unwind.

Your Idea of Home. Made Real.

Actual Render

An Arrival Worth Coming Home To.

The experience begins with a thoughtfully designed lobby that reflects warmth and comfort. Crafted to welcome residents and guests alike, this refined arrival space sets the tone for the elevated living that unfolds beyond. A dedicated cloak room for parcel collection adds to the everyday convenience, ensuring deliveries are received seamlessly and securely.

Actual Render

Strength, Every Day.

A complete fitness experience designed to keep you strong, active, and balanced. From focused workouts in the fully equipped gym to mindful moments on the open-air yoga deck, every space helps you make wellness a natural part of your everyday life.

Actual Render

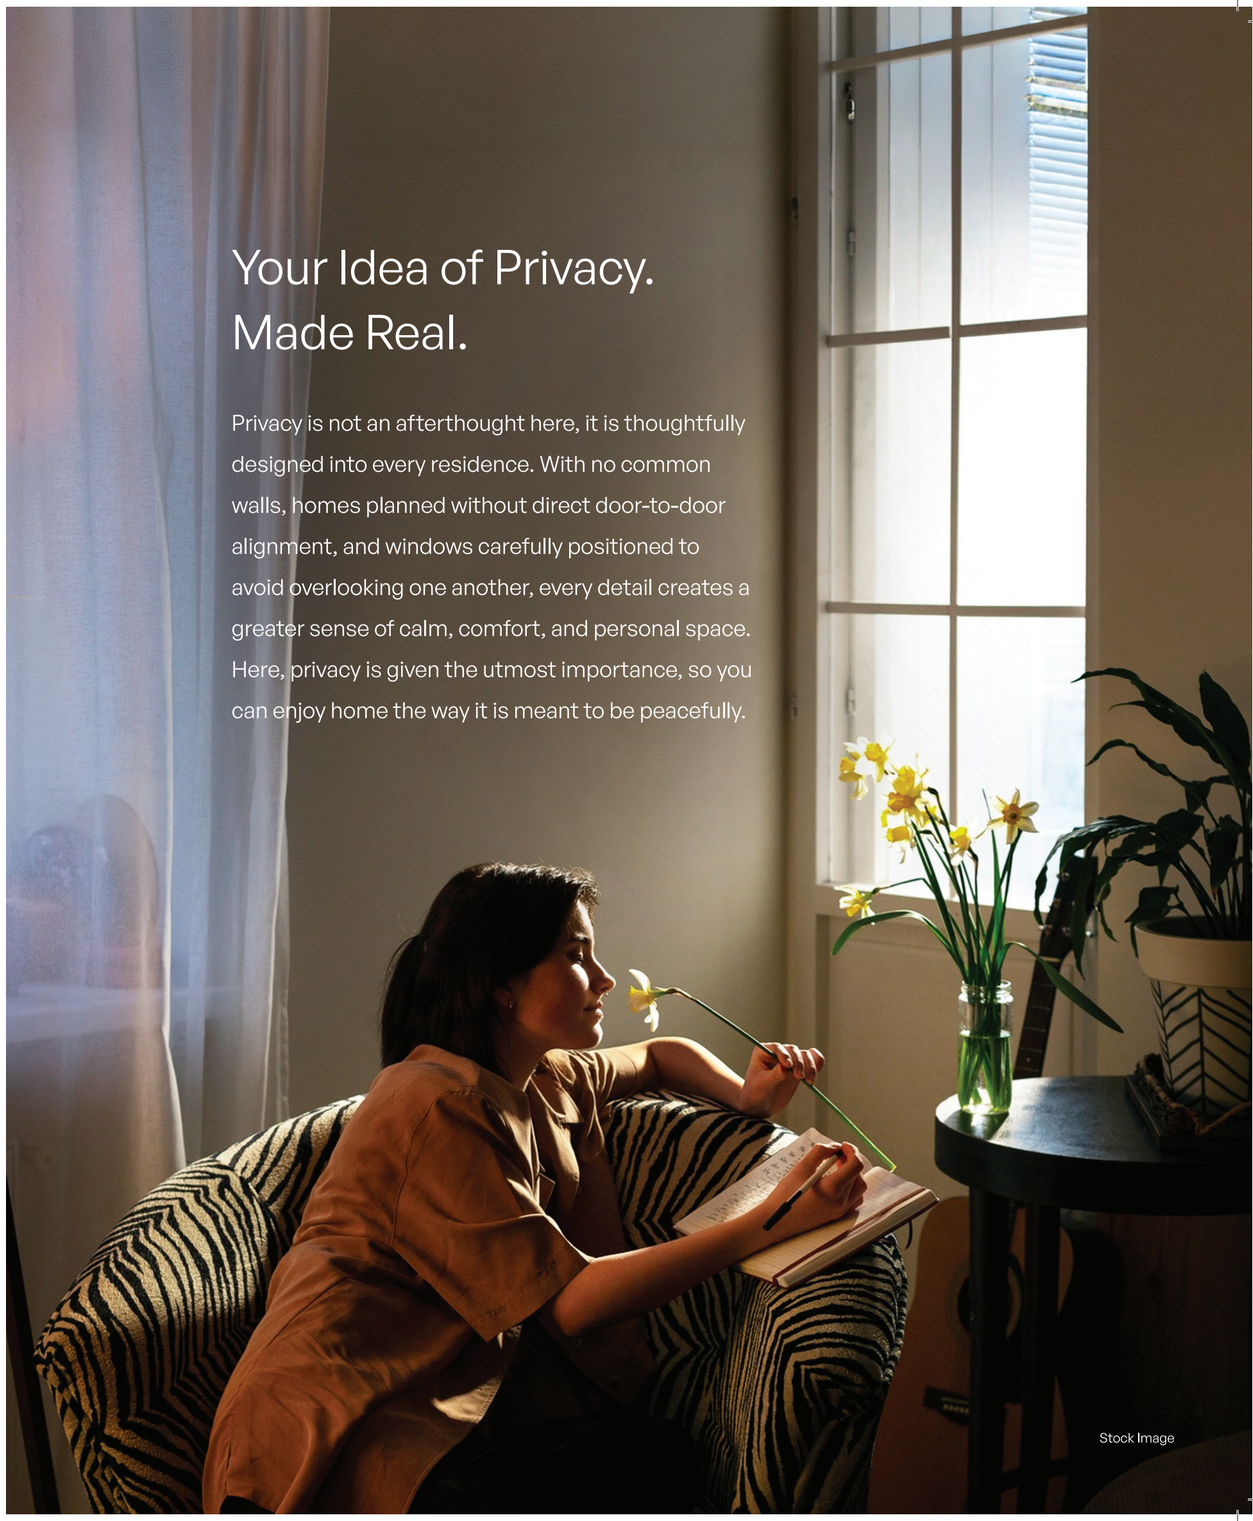
Swim Into Balance.

A well-designed lap pool ideal for both exercise and relaxation, offering a refreshing escape that fits seamlessly into your daily routine.

Actual Render

Your Idea of Privacy. Made Real.

Privacy is not an afterthought here, it is thoughtfully designed into every residence. With no common walls, homes planned without direct door-to-door alignment, and windows carefully positioned to avoid overlooking one another, every detail creates a greater sense of calm, comfort, and personal space. Here, privacy is given the utmost importance, so you can enjoy home the way it is meant to be peacefully.



Stock Image

Moonlight Dinner Deck

A striking terrace space, designed for evening tea, family dinners, quiet phone conversations, or simply unwinding beneath the open sky. A refreshing setting where everyday moments feel elevated, and every pause feels a little more special.

Stock Image

Play Without Limits.

A versatile racket sport zone designed for badminton, tennis and pickleball — giving you the freedom to play, compete, and stay active your way.

Actual Render

Curated For Every Part Of Your Life.

A thoughtfully assembled collection of amenities designed to energize, connect, and unwind. From fitness and recreation to social spaces and quiet corners, every element is planned to support a balanced and fulfilling everyday lifestyle.
